EVENING EXCURSIONS

Stop by Edison for a fun
activity before getting
dinner and heading home.

Ice Skating at Roosevelt Park

Stop by the **Family Skating Rink** in Roosevelt Park. The Skate Rink is open from November 15 – March 31 on Wednesdays through Sundays with group lessons available.

Dinner

Don't forget to grab dinner before heading home. If you like authentic and endless South Asian cuisine, we recommend hopping over to Oak Tree Road in Edison, often affectionately called "Little India."

If you're craving something else, head over to nearby Metuchen. We recommend stopping by **Mangia Toscano** for dinner – you'll love the authentic (and delicious!) Italian cuisine.

Whether you're craving pizza, Thai, Greek or sushi – **Downtown Metuchen** has plenty of options and you can't go wrong at any of them.
